

GUN SERVICE

STANDARDSERVICE

Regular maintenance of your Krieghoff quality products ensures that the reliability and safety of your weapon is ensured even after many years of use.

With the Krieghoff Gun Service, we offer you a quick and easy way to have your weapon carefully **inspected, cleaned** and **preserved** in our factory.

After maintenance and payment, we will return the weapon together with a service certificate to an address previously agreed with you. The processing time is about four weeks.

The whole service is **€ 326.00**.

If we find any deficiencies in the maintenance of your weapon, we will inform you immediately to discuss with you the possibility of a repair. For weapons that are returned to you free of defects after service or after repair, you will receive a two-year extension of the factory warranty on the locking parts (The extension of the factory warranty is only possible for weapons with an age of 25 years or less).

PROCESSING

In order to use the Gun Service, first place an order by completing our order form. This can also be printed out for this purpose and faxed to us or sent by post. Afterwards we will arrange an appointment with you for the service.

In order to send us the weapon, you have the following options:

- Personal delivery (only by prior appointment).
- Collection and return delivery by our courier partner (the transport is insured).

Please note that your weapon must be securely packed on all transport routes. Be sure to enclose a copy of your complete and valid annual hunting license with the consignment as well as a copy of the completed order form (page 2).

If required, we will send you a transport carton for your weapon in advance. For your hunting weapon we can send you a Krieghoff GunPack for the price of **€ 58,00** plus **€ 8,00** shipping.
